

## **VAMPIRE FRIENDS OF THE LIBRARIES**

**ARE REALLY...**

# **Friends of the Owen D. Young and Lauenders Libraries! (FODYLL)**

**Support one of the great libraries in New York, and a true north country resource!**

Our mission is to help fund important acquisitions for Special Collections, to nurture the growth of print and digital collections, to foster and reward student excellence in research and writing, to continue to strengthen the SLU Libraries as an intellectual resource for St. Lawrence County, and to serve the community of readers by hosting occasional lectures. We seek and appreciate new members.
